Property is not individually eligible for National Register because:

☐ It is less than 50 years old and does not meet N.R.

Exception G

☒ It is an undistinguished example of a common building type  
or architectural style

☐ Its integrity is compromised by alterations or deterioration

☐ Its historic setting has been compromised by development

☐ Other (explain): \_\_\_\_\_

Description:

The Sealing Property is a 1½-story, 3-bay cottage with bungalow features on the north side of Muirkirk Road in Beltsville vicinity, Prince George's County. The cottage was constructed circa 1920.

The structure has a side gable, asphalt shingle roof, with a small shed dormer and centered brick chimney. It is of wood frame construction with stucco siding, and it has a stuccoed foundation. The windows are double-hung aluminum sash. The house has a full width porch on the south, or front elevation. The porch has a shed roof with four wood posts and wood railings.

There are two outbuildings associated with this building. The first outbuilding is a garage, with a gable roof, covered with asphalt sheets. Constructed circa 1940, it is of wood frame construction. The structure is located immediately northeast of the house.

The second outbuilding is a shed, with a gable, has sheet asphalt roof. Constructed circa 1940, it is of wood frame construction. The structure is located at the northeast corner of the house.

The property is located on the north side of Muirkirk Road, with residential property to the east and west and farmland to the north and south. There are several old trees on the property. The property is at the crest of a hill, with the ground sloping to the west and northeast. The property's setting is rural residential.
